For Immediate Release: TDECU – Your Credit Union – Breaks Ground on New Texas City Member Center

(Lake Jackson, TX) — Representatives of TDECU – Your Credit Union's Board of Directors and Executive Team hosted local dignitaries for a groundbreaking event celebrating the organization's new Texas City Member Center. TDECU is not new to Texas City; this new location is a move from the current facility to a more convenient location. The new Texas City Member Center is slated to open in late summer 2017.

The Texas City Member Center will incorporate the latest in modern branch design, which will provide self-service opportunities within the location. The design concept was developed as a way to combine the very latest in a technology-based financial services experience, while still delivering on TDECU's high standards for Member service.

The move by TDECU – Houston's largest credit union – is part of an ongoing growth strategy by the organization intended to continue their mission of improving lives.
