**TDECU Reaches Milestone \$1 Billion in Mortgages**

**(Lake Jackson, TX)** — [TDECU – Your Credit Union](#), Houston’s largest credit union and one of the largest in Texas, has announced a significant milestone for the organization’s mortgage portfolio: \$1 billion in mortgage loans. TDECU’s President and Chief Executive Officer, Stephanie Sherrodd, announced the achievement after a review of the 2018 performance.

“I know the entire mortgage team – as well as our support teams – played a part in making this growth happen. It’s exciting to see, particularly when you consider the mortgage portfolio is significantly larger now than the entire asset size of the entire credit union just 15 years ago when I started here at TDECU,” noted Sherrodd.

TDECU’s Vice President of Mortgage Lending, Loretta Williams, responded to the announcement by validating the achievement. “The milestone was made possible by the credit union’s steadfast focus on quality,” she explained, “and by providing outstanding service on our wide range of competitive real estate lending options. Homebuyers keep coming to us because they see the value that we can provide to them not only through closing, but for years to come.”

TDECU looks to create strategies for further growth in its mortgage line of business, which offers a customized mobile app, loans for a variety of unique real estate borrowing needs, online tools, rate match guarantees, and other services and resources for borrowers.
