Representatives from the TDECU Mortgage team present donation to the Periwinkle Foundation

For Immediate Release: TDECU Supports Children & Families Coping with Cancer

(Lake Jackson, TX) —[TDECU – Your Credit Union](#) understands that sometimes the best way to give back to its community is by supporting those who are affected by some of life’s greatest challenges – especially those facing challenges at a young age. That’s where the TDECU Mortgage team stepped in, raising \$2,100 in support of the [Periwinkle Foundation](#).

The Periwinkle Foundation develops and provides recreational programs that positively change the lives of children, young adults and families dealing with a cancer diagnosis or other life-threatening illness. For 34 years, the Periwinkle Foundation has offered uplifting activities, like camping and creative programs, that raise children’s confidence and provide peer and leader support.

“Our mortgage department spearheaded and raised funds for this donation,” TDECU Vice President of Mortgage Lending, Brandy Phillips stated, “and we’re delighted to provide these funds to an organization that does such inspiring work. With the help of teams of doctors, nurses and countless volunteers, the Periwinkle Foundation provides amazing programs to children whose lives have been touched by cancer, and they need donations like this to keep fulfilling their mission. We are extremely honored to represent TDECU – Your Credit Union in this endeavor and give back to such a great organization.”
