## TDECU CONTINUES EXPANSION WITH NEW CHAMPION FOREST MEMBER CENTER

[TDECU](#), Houston's largest credit union, is expanding again with the grand opening of the Champion Forest Member Center, located at 5503 FM 1960 Rd West, in northwest Houston. There will be a ribbon cutting ceremony starting at 9:00 a.m., followed by tours of the Member Center. Visitors will be able learn more about the benefits of becoming a TDECU Member, along with light bites, games, giveaways, and more until 12:00 p.m.

TDECU's President & CEO Isaac Johnson says the new location is part of a larger plan to provide more access to the rapidly growing number of Houstonians.

"TDECU's expansion is a direct testament to our drive to better serve our Members and help them on their financial journeys," said Johnson. "From digital banking to giving them a place where they can discuss their finances with someone in-person, we are committed to serving our Members whenever and wherever they want us to be."

Johnson will be joined by several TDECU board members, along with Bobby Lieb, President & CEO of the Houston Northwest Chamber of Commerce, which is dedicated to developing a healthy economic climate for local businesses across the area.

The Champion Forest Member Center, like the [Six Pines Member Center which opened last month](#) in The Woodlands' Market Street, is designed to enable front-line team members to communicate directly and personally with TDECU Members.

The traditional teller lines have been reimagined. Rather than talking over a tall counter, Members can sit comfortably and discuss their accounts. The waiting area of the lobby features complimentary coffee and beverages and showcases a timeline mural of TDECU's history, journey, and growth since its beginnings in 1955. There are also private offices for Members who would like to have more in-depth conversations about their personal financial journeys or discuss many of TDECU's other benefits.

With the opening of this newest location TDECU now has 35 Member Centers along with digital banking options to serve its more than 370,000 Members.
