For Immediate Release: Boys & Girls Club of Brazoria County Takes on the Gridiron Classic Thanks to TDECU

(Lake Jackson, TX) — One of the many exciting Super Bowl activities that occurred in Houston leading up to the big game was the Gridiron Classic.

Started in 2010, the Gridiron Classic is a camp day full of fun, physical activities, aimed at teaching children the importance and enjoyment of remaining physically active. The Boys & Girls Club of Brazoria County was able to send over 300 of their members to the camp thanks in part to TDECU. Many children in the club did not have transportation to Houston, so TDECU quickly stepped in and provided buses to take all 300 children to the camp and back home.

The Boys & Girls Club of Brazoria County is currently in their 45th year, serving over 700 children on 18 campuses throughout Brazoria County. Their mission is to enable all young people to reach their full potential as productive, caring and responsible citizens.

TDECU has a long-standing tradition of giving back to our community partners, having worked with Boys & Girls Clubs, Habitat for Humanity, BACH, various local school districts and food banks to help improve lives in the communities we serve.
